SPECIAL ORDERS - PRIORITY BUSINESS

Councillor Sanders made the following motion:

Mr. President:

I move that Proposal No. 182, 2010 (Rezoning Case 2009-ZON-068 located at 3551, 4403 and 4651 Foltz Street) be scheduled for a hearing before this Council at its next regular meeting on June 28, 2010 at 7:00 p.m. and that the General Counsel read the announcement of such hearing and enter same in the minutes of this meeting.

Councillor Nytes seconded the motion.

Councillor Cockrum said that this project is located in his district, and this case has been ongoing for six months, has been fully reviewed and approved by staff, had three public hearings over an

hour and a half long, and the Metropolitan Development Commission approved the zoning by a vote of 5-3. He said that the Decatur Township Council has voted not to oppose the zoning, and he thinks there have been enough hearings, and he opposes the motion to call the proposal out for public hearing.

Councillor Sanders said that there is usually no discussion on a motion to call a rezoning ordinance out for public hearing, and the issue usually moves forward. She said that she understands Councillor Cockrum's position, but the neighborhood seems to be unaware of some of the means by which this process was followed and did not get a fair hearing. She said she stands by her motion to call the proposal down for public hearing.

President Vaughn stated that Indiana Code provides that a Councillor can call a rezoning out for public hearing by a motion, and it takes a majority vote of those present to call it out. He said that this body is simply following that procedure.

Councillor Coleman said that he has received a number of e-mails regarding this issue, and while he understands Councillor Cockrum's position, there is a process, and this is the residents' final chance to be heard, and they have a right to hear it and make a final decision.

Councillor Malone said that she also has received phone calls from her constituency, and she joins in support of trying to resolve this issue and calling it out for public hearing.

The motion to schedule Proposal No. 182, 2010 for public hearing on June 28, 2010 failed on the following roll call vote; viz:

*13 YEAS: Brown, Coleman, Gray, Lewis, MahernB, MahernD, Malone, Mansfield, Minton
McNeill, Moriarty Adams, Nytes, Oliver, Sanders
15 NAYS: Cain, Cardwell, Cockrum, Day, Evans, Freeman, Hunter, Lutz, McHenry,

The proposal, sponsored by Councillors McQuillen, Mansfield, Cain and Lutz, amends the Code to add and amend various chapters related to license and permit fees to be collected by the department of code enforcement pursuant to a cost analysis study determining the cost of the services underlying these fees to the department. By a 6-1 vote, the Committee reported the proposal to the Council with the recommendation that it do pass as amended.

Councillor Brown asked about the one negative vote. Councillor Lutz stated that Councillor Rivera cast the negative vote.

The proposal, sponsored by Councillors McHenry and Cain, amends the Code to adopt a new Sec. 621-128 prohibiting parking in parks after closing and to amend Sec. 103-52 establishing penalties for violations. Councillor Sanders said that there are some very vague areas in some of the language, and she believes they need to take a closer look. She asked what would happen to city vehicles that might be parked on parks property overnight. She said that there may be some unintended consequences with the way this is currently written. She said that she is not opposed to the concept, but feels some issues still need to be addressed.

Councillor Gray said that he has some real problems with this proposal and would like to see more research done. He moved, seconded by Councillor Hunter, to return Proposal No. 154, 2010 to committee. Proposal No. 154, 2010 was returned to committee on the following roll call vote; viz:
